Dezente Pastelltöne, die an weißen Sand, türkisblaues Meer und felsige Küsten erinnern. Die runden Tischsets aus recyceltem Kunststoff schonen Tisch und Umwelt. **Subtle pastel shades reminiscent of white sand, turquoise sea and rocky coasts. The round placemats made of recycled plastic are kind to the table and the environment.** *Des tons pastel discrets qui évoquent le sable blanc, la mer turquoise et les côtes rocheuses. Les sets de table ronds en plastique recyclé préservent la table et l'environnement.*

Halbleinen vereint die positiven Eigenschaften von Baumwolle und Leinen. Während Baumwolle für eine hohe Saugfähigkeit bekannt ist, sorgt der Leinenanteil für ein fusselfreies Ergebnis. **Half-linen combines the positive characteristics of cotton and linen. While cotton is known for its high absorbency, the linen part ensures a lint-free result.** *Le lin mélangé combine les propriétés positives du coton et du lin. Si le coton est connu pour sa grande capacité d'absorption, le lin assure un résultat non pelucheux.*
