

what we will learn

THEME: ALL ABOUT MY WORLD

This month, we're celebrating everything that makes each child unique! Through play, stories, and creative activities, we'll explore our families, feelings, routines, and the special people in our lives. It's a wonderful way to build confidence, encourage friendships, and help children understand the world around them, starting with themselves

PEOPLE WHO HELP US

This month, we're learning all about the amazing people who help us every day, from doctors and firefighters to shopkeepers and postal workers. It's a fun way for the children to explore their community and the important roles people play

ACTIVITIES

This month, the children will explore the world of everyday helpers through role play, crafts, and stories. They'll dress up as doctors, firefighters, and shopkeepers, create themed hats and vehicles, and enjoy songs and books that celebrate kindness and community. We'll also enjoy seasonal fun like leaf printing, baking, and winter dressing-up as we head toward the festive season.
