**Ethos of The Butterfly Rooms – Woodlands Pre-School and Nursery**

Where little wings take flight nurturing curious minds, kind hearts, and confident steps through play, care and discovery, Helping our little people, just caterpillars, prepare to spread their wings in to the world as beautiful butterflies.

At The Butterfly Rooms, we believe that every child is a unique and curious learner, full of potential and wonder. Nestled within the nurturing environment of Woodlands Pre-School and Nursery, we provide a safe, inclusive, and inspiring space where children are encouraged to explore, grow, and thrive at their own pace.

We are guided by the principles of respect, creativity, and connection - to ourselves, to others, and to the natural world. Through play-based learning, outdoor discovery, and meaningful relationships, we foster a love of learning that lasts a lifetime.

**Our ethos is rooted in:**

Child-Centered Learning – We follow each child's interests and developmental needs, supporting their journey with warmth, patience, and encouragement.

Nature-Inspired Exploration – Surrounded by woodland beauty, we embrace outdoor learning to spark curiosity, resilience, and a deep appreciation for the environment.

Community and Belonging – We cultivate a strong sense of belonging where children, families, and educators work in partnership to create a joyful and respectful learning community.

Imagination and Expression – We celebrate creativity and self-expression through art, storytelling, music, and imaginative play.

Together, we nurture confident, compassionate, and capable learners - ready to flutter into the world with open hearts and curious minds.
