We hope you have a lovely Christmas and a wonderful new year 🎄

Reminders

In your children's lunch boxes can you ensure there is no products containing nuts. Any food containing chocolate such as waffles, wafers, yoghurts etc needs to have ingredients labelled.

We ask that your child has spare clothes, baby wipes and a water bottle in their bag daily.

Your child may need wellies for the garden in the winter weather. We are happy to change your child into these if you would like to pack them in their bag if this is easier for you.

What we have been learning

This month we will be focusing on Winter and Christmas.

The children have been creating lots of beautiful Christmas artwork and are excited to take it home to show you at the end of the term.

We will be continuing to support the children build on their independence skills that have been growing so beautifully. The children have enjoyed learning to put on their coats when going outside for garden time and learning to do their own zips or buttons. Well done everyone!

The children will be continuing to explore the environment around them talking about what they see outside or have been doing at home with the build up to Christmas! Alongside developing more friendships with new children soon to join us in the coming weeks!

updates

A warm welcome to all the children who will be joining us in the Little Acorns room, we look forward to sharing lots of special memories with you! Good luck to all of the children who will be moving into the Little Caterpillars room, we will miss you!
