WHAT WE ARE LEARNING

Our book/song topic for this half term will be Old MacDonald had a farm. We have been creating various farm animals that the children have named from past experiences using materials to create different textures.

Over the next month we will be focusing on identifying numbers and counting to 20. At home a few activities you can do with your children to help them on their learning journey is using number flashcards to count or find a number of objects that is the same as your card from around your home or familiar environments.
