Welcome Back!

We hope you all had a lovely Easter break. We're thrilled to welcome new children and families into our room, and just as excited to see everyone returning as we step into spring. This month, we'll be exploring the beauty of the season, creating bright spring flowers for our display, and enjoying the sensory story 'Hello Spring'. It's set to be a joyful and inspiring start to the term.

Reminders

With the warmer weather arriving, we'll be spending more time in the garden. Please ensure your child has sun cream in their bag each day. We'll also be starting water play, so please include an extra set of clothes and a water bottle.
