### Happy new year!

We hope you and your family had a lovely Christmas and a very happy New Year, filled with special moments together. As we step into the year ahead, we're looking forward to many cozy routines, shared stories, and happy days with your little ones.

We're also very excited to meet all of our new children and begin their settling-in journey, supporting them as they feel safe, happy, and confident in their new environment.

Thank you for being part of our community—we're so excited for all that's to come.  
HAPPY NEW YEAR!!!

### What We Are Learning

This month, we're exploring a Bedtime & Dreams theme inspired by the favorite story Goodnight Moon. We'll read the book together and enjoy gentle activities like saying "goodnight" to familiar objects, waving to toys, singing calm bedtime songs, and playing with stuffed animals and cozy items. These simple moments help babies connect stories with comfort and routine, making storytime and bedtime feel fun and familiar.
