

LITTLE EXPLORERS

NEWSLETTER

OCTOBER
2025

what we will be learning

This month we'll be exploring the changes that happen in Autumn. We'll be reading the story The Leaf Man and linking it to our learning.

As part of this, we'll be taking a nature walk in our garden to collect leaves and other natural items to create our own animals. we'll also be making autumn wreaths for the children to take home.

Things to do at home - Please enjoy a nature walk with your child at home and collect leaves, conkers, and any other autumn treasures for them to use in their wreaths.

Reminders

Please ensure you are supplying nappies/ wipes.

As the weather is shifting please ensure your child in in suitable clothing and footwear. Label all clothing and accessories

Upcoming Events

- 4th - 10th - Space week we will be taking part in experiments and creating rockets.
