

# Little Explorers

September newsletter

**Little Explorers**

## LEARNING

This term we are placing a strong focus on the children's personal, social and emotional development. For many this includes settling into the setting and creating important bonds with their keyperson and peers within the room. We know how important these early relationships are and we are dedicated to making sure each child feels happy, secure and ready to explore and learn.

## THEME

This month, we will focus on the rainforest and the diverse animals that inhabit this environment. The children will engage in activities such as creating their own animals, exploring different habitats, and reading stories related to this theme.

## REMINDERS

**Please provide nappies and wipes everyday**

**We have outdoor play scheduled, regardless of the weather, so please make sure to pack an extra set of clothes that is appropriate for the conditions.**

## IMPORTANT INFORMATION

**September 9th is Teddy Bear Day. Please bring your favorite teddy bear for a day filled with fun!**

We are thrilled to welcome Sophie and Amy to our team! We look forward to watching them grow and thrive.
