

LITTLE ACORNS newsletter

SEPTEMBER 2026

UPCOMING EVENTS

International literacy day: Tuesday 8th September

During the day we will be exploring stories, writing letters from our nemes and singing our favourite nursery rhymes.

Teddy bear day: Wednesday 9th September

we would love to invite the children to bring in their favourite teddy from home with a name tag so we know whose special bear belongs to who.

We will be talking about how they make us feel and why they are our special bears.

Emergency services day: Wednesday 9th September

we will be talking about many emergency services and their roles explaining to children the importance of them and how they help people around us.

International day of sign languages: Wednesday 23rd September

During the day we will be exploring some sign language with the children such as days of the week and emotions.

REMINDERS

A gentle reminder of what is needed in your child's bag each day: a water bottle with your child's name, spare clothes including socks and underwear, a jumper or jacket dependant on the weather and baby wipes.

We are a **NUT** free nursery.

The little acorns entrance is at the main red door with the doorbell located to the right hand side of the door labelled little acorns room.

CONTACT DETAILS

Please do not hesitate to contact me if you ever have any questions on: sophie.drake@tbrl36.onmicrosoft.com

We look forward to welcoming you all to the little acorns room and sharing all of your children's special memories with you.

Members of the team within the little acorns room are

Sophie(room manager) and Heidi

WHAT WE WILL BE LEARNING

Over the month of September we will be settling all of the children into the little acorns room and speaking about the summer holidays.

We will be focusing on following the golden rules and emotions, discussing how important they are and how we can help those around us when exploring different emotions.

The children will explore turn taking skills and learning new independent skills as we grow and flourish over the next term. Things you can do at home to support your child with these skills is encouraging them to put their own shoes and jackets on and finding their belongings when preparing to come to nursery.
