June 2026

Warmer weathers

With the warmer weather please ensure your child is wearing sunscreen and have a spare in their bag to reapply during the day please also provide a sunhat for outside play.

what we're learning

This term, get ready for a whirlwind of fun as we dive into the audiobook "Summer is Here," a delightful celebration of the sensory pleasures and simple magic that make up a perfect summer day. To keep the good vibes rolling, we'll be crafting dazzling sun catchers to brighten up the room, splashing around with loads of water play, and unleashing our creativity with garden art activities using nature's treasures as our materials. Let the summer adventures begin!

Dates to remember

June 7th - World Food Safety Day: We'll make our own snacks to learn about food safety.

June 8th - Sea Animals Day: Create your own sea creatures and enjoy water play.

June 12th - King's Birthday Parade: Celebrate with music and instruments.

June 24th - Graduation Photos: Capture memories from 9:00 to 10:30 for those graduating.

keep an eye out

We will be arranging special baby rhyme time and sensory sessions designed for parents and caregivers to enjoy alongside their children. Keep an eye out for invitations!
