WHAT WE HAVE BEEN LEARNING

Over the last month the children in the Little Acorns room have made great achievements learning to count to 10 and beyond, identifying simple shapes and categorising objects according to size. The children have been learning to write letters from their names and holding tools such as pencils and paint brushes using a tripod grip. Great job everyone!

What we will be learning

The children will continue learning about similarities and differences between each other and what makes them unique. The children will be exploring the golden rules and the importance of them alongside developing our independence skills such as putting on our coats, jumpers and shoes. At home the children can work on building on their self care and independence skills.

REMINDERS

Now the weather is getting warmer outside can we ensure your children have a water bottle, spare clothes including socks, a sun hat, sun cream applied before they come to nursery and spare in their bag for it to be reapplied throughout the day.

Can we ask that you label all children's belongings to prevent any confusion or items getting misplaced.

We are a nut free nursery.

Upcoming events

Monday 22nd June- Father's day stay and play and Toy story/dress up day

We welcome all dad's to join us for a stay and play 9.30-10.30am exploring activities with your little ones. We ask that any children who do not usually attend a Monday or a session with those hours, that the parents stay with their children for the session. As there is a new release of the toy story 5 film that our children seem to love talking about at the moment, we would love to invite the children to come in dressing as a character from the film or any disney movie.

Upcoming Events

Monday 8th June- World Oceans Day

At nursery the children will be exploring water activities with sea animals talking about what lives in the ocean.

We will be creating and decorating sea animals using various materials.

Friday 12th June- The King's Official Birthday

The children will be creating crowns and making flags to celebrate the King's birthday.

Wednesday 24th June 9am-10.30am

Graduation photos

If your child is going to school this year and they attend on a wednesday then we will take your child for their photos, if your child is not in then please feel free to bring your child to the setting to have their graduation photos taken.
