## Welcome to our new friends!

- This April, we're excited to welcome lots of new children to our little family! We'll be helping everyone settle in, make friends, and feel happy and confident in their new space. We can't wait to share lots of fun, learning, and laughter together.

## Where little learners blossom

## What we will be learning

### Song focus:

Our focus song is "If You're Happy and You Know It", helping children to build confidence, join in with actions, and explore different emotions.

### This month we will be:

- Exploring our senses through messy play, water play, and creative activities
- Enjoying outdoor play to support physical development, coordination, and confidence
- Discovering the signs of spring – new life, growing plants, and changes in the weather 🌻

## Reminders

- Please ensure your child has spare clothes in their bag.
- Label all belongings (including water bottles) to avoid mix-ups.
- Check your child's bag regularly for nappies and wipes so they have enough supplies.
- We are a **NUT FREE** nursery.
