

Little Explorer's July 2026 NEWSLETTER

Dear Parents and Guardians,

As the lovely warm weather continues, please remember to apply sun cream to your child before they arrive at nursery each day. We also ask that every child has a spare bottle of sun cream and a sun hat in their bag. Protecting little ones from the sun is so important, and these simple steps help ensure they can safely enjoy all the wonderful outdoor play we have on offer!

What we're learning

This month, we're bringing all the bright, sunny joy of summertime into our baby room through the wonderful book *Summertime* by Jane Foster! We'll be heading outdoors to soak up the sunshine through play, getting creative with sunshine handprints and flower collages, and letting the little ones explore all those gorgeous summer colours. We'll also be focusing on taste and smell by discovering exciting new fruits — a lovely way for children to learn through their senses!
