## What are we learning

**We are reading the book : Beautiful Bananas**  
**Looking at different fruits and how they are grown, learning about different countries and where fruits are grown. We will explore fruit taste and textures by tasting unusual fruits.**

**What can you do at home to support our learning.**  
**When shopping have a look at unique foods and fruits sharing with your child where they come from.**

## Notes/reminders

**To report sickness/absence or contact me directly please email**  
[Sendco@TBR136.onmicrosoft.com](mailto:Sendco@TBR136.onmicrosoft.com)

We are a **nut free nursery**, please ensure no chocolate spread or other foods containing nuts.

Ensure children have spare clothes provided including socks and underwear.

As the weather is getting warmer please ensure your child is wearing sun cream to nursery and have spare in their bag to top up throughout the day

## Dates to remember/ upcoming

**Friday 5th** : world environment day- walk to explore how we can keep our environment safe.

**Monday 7th** : world food safety day – cutting our own snack while learning how to keep our food safe.

**Tuesday 8th**: world ocean day- creating our Favourite ocean animals.

**Friday 19th** : Fathers day stay and play – see invite for more information.

**Wednesday 24th**: photographer in – graduation photos

# British Values in the little caterpillar room

## **Democracy**

We have choices – what snack I do and do not want  
What songs to sing at circle time  
What activities we want to explore

Tolerance- different faiths and beliefs  
We encourage children to be inclusive including everyone in their play.  
We explore different cultures and celebrate all celebrations  
Supporting children to understand others including special educational needs.

## **Mutual respect**

We are supported to use our manners saying please and thank you.  
We learn to respect each others' boundaries- if you have been asked to stop doing something to someone that they do not like then you stop and give them space they need (no means no)  
We are encouraged to share the resources  
Supporting children to have positive interaction through kindness.

## **Rule of law**

We have set rules to follow – no running inside , use kind words and hands, wash our hands before every meal.  
We support the children to understand why rules are important. – for example, you can fall and hurt yourself

## **Individual liberty**

Allowing children to take risks such as using scissors but offering support.  
Allowing the children to express themselves through art and design giving free option to what they use and explore.

We allow children to be individuals having their own choices and likes/dislikes. We respect each others' feelings. We support children to regulate their own emotions through a calming corner- a space to sit take a minute to breath/count and talk about our emotions with an adult exploring why we feel a certain way and how we can regulate.
