## YOUR VISION. OUR EXPERTISE

### NY - NCLEX RN APPLICATION Fees & General Requirements

- NURSEPRO Service Fee: \$225
- Online Coursework Fee: \$39
- RN Application OPNYSED: \$143
- Pearson Vue (Registration, Exam Scheduling & Quick results): 358

**TOTAL: \$765**

#### NURSEPRO'S role and responsibility:

- Guide the applicant throughout the entire NCLEX application process and provide update as needed
- Submit all necessary requirements online and via paper if applicable
- Follow up with the Board of Nursing and troubleshoot if any issue or additional requirement arises
- Schedule NCLEX exam and ensure the applicant becomes licensed after passing the NCLEX

### General Requirements

- School credentials & Local license validation: Out of pocket for nurses (fees to be paid for at their school and licensing authority such as processing fee and mailing fee)
- Bachelor of Science in Nursing - Nursing Diploma
- Current and Valid Passport/Government-issued ID

### Timeline & Objectives

Within 1-2 weeks after initial payment: Obtain Applicant Data Sheet and provide the applicant with the necessary forms and instructions for school and PRC requirement, whichever is applicable

At the same time, NURSEPRO will submit your official RN application and other pertinent requirements to NY.

Once NY receives all requirements, you can be deemed eligible to take the NCLEX anytime within the next 4 months. Once deemed eligible, your eligibility does not expire.

At this point, we can proceed to the Pearson Vue Registration if the applicant is ready to take the NCLEX within 6 mos.

After passing the NCLEX, your license will be issued within 2 weeks and your documents will be mailed to you.
