Timeline & Objectives

Within 1-2 weeks after initial payment: Obtain Applicant Data Sheet and provide the applicant with the necessary forms and instructions for school and PRC requirement, whichever is applicable.

Once CGFNS receives your documents, it can take them anywhere from 2-4 months to review your documents and issue a Credentials Evaluation Service Report and send it electronically to Texas.

Once your CES is complete, we will provide you with instructions for the Criminal Background Check. At the same time, we will be submitting your official RN application.

At this point, we can proceed to the Pearson Vue Registration if the applicant is ready to take the NCLEX within 6 mos.
