Flu/RSV Vaccine

STEP 1

Visit www.clarksburgmedicalgroup.com and have your health card ready. Please note, only current patients at Clarksburg Medical Group are eligible to book an appointment.

STEP 2

On the website home page, you will find a booking link labeled “FLU/RSV CLINIC.” Click the link to book an appointment. Please enter your information as directed and select your desired vaccination type, date and time. Only patients 75+ are eligible for the RSV vaccine - this is a one time vaccine.

STEP 3

Repeat Step 2 for each member of your household that wishes to receive a FLU/RSV vaccination. Patients MUST have a scheduled appointment - walk in requests will not be accommodated.

STEP 4

Please arrive to the clinic on time (no more than 5 minutes early) for your scheduled appointment time. We will have limited seating available. Please dress in appropriate clothing allowing your arm to be easily accessible and expect to wait a minimum of 10 minutes after your vaccination.

If you require assistance booking an appointment please call the clinic Monday-Thursday after 2:00pm and have your health card ready.

There is significant cost/burden related to missed vaccination appointments. If you cannot attend your scheduled appointment, please call the clinic to cancel prior to 1:00PM the day of your scheduled visit.
