OTHER SERVICES

MINES DIVISION

ELECTRO – MECHANICAL PRODUCTS

POWER TRANSMISSION SYSTEMS (Products)

geared motors, gear units, fluids coupling, all steel coupling mechanical speed variators, shafted mounted speed reducers, screw conveyors drives, steel and fiber electric poles.

ELECTRIC MOTORS

Cast iron squirrel cage motors 400/ 550V

Aluminum squirrel cage motors 400 / 550V

Frameproof electric motors, cast iron TEFC

Motors, Aluminum TEFC motors, brake motors, two speed motors, submersible pumps, borehole pumps

POWER GENERATION AND CONDITIONING SYSTEMS

Diesel generator sets, uninterruptible power systems.

MINING PRODUCTS

Heavy duty tires for;

Trucks, graders, scrapers, articulated dump trucks, rigid dump trucks, shovels, loaders, bulldozers.

LOCOMOTIVE AND LOADER SPARES

Underground locomotives and spares, underground rock shovels, and loaders.

MINES DIVISION

MINE SAFETY AND COMMUNICATION PRODUCTS

Mine cap lamps

Cordless miners cap lamp

Manual shaft signaling units

8 – 32V, 110 and 220V AC mine Bells, 12 – 48 AC / DC mine bells, non – locking bell pull switch, key operated lock bell pull switch, bell pull combination systems

ELECTRONIC SHAFT SIGNALING UNITS

Safety indication systems

Robot box incandescent or led type

Stop and walk indication box danger indication box

Level indication box

EMERGENCY SIGNALING UNITS

Mine safety devices

Underground voice communication systems

Telephone / bell distribution systems

Lighting

MINES DIVISION

AUTHORIZED DISTRIBUTORS

Eye, hearing, and heading protection
Fall protection
Mine safety and self-rescue solutions
Lamp room solutions
Hazardous gas detection solutions
Mines cap lamps

AUTHORIZED DISTRIBUTORS

Low to medium voltage control centers
Low to medium voltage power distribution boards
Low to medium voltage switchgears
Motor control and protection system
Soft starters
Variable speed drives
Programmable logic controllers (PLCs)
Heavy duty limit switches
Resistor banks

ELECTRICAL PRODUCTS

Low voltage electrical distribution
Control circuit and load protection, circuit breakers,
fuse holders, miniature circuit breakers.

AUTHORIZED DISTRIBUTORS

Mining and automotive products
Heavy duty work lamps for underground and opencast
Mining machines (boomers, LHDs, Dump trucks, Alarms and Horns
for mining machines
Excavators
Beacons
Signal lamps

ELECTRIC MOTOR CONTROL IEC

Contractors, control and loading switches, enclosed starters, molded
case circuit breaker, motor circuits protectors, mounting system and
starters, open starters, overload relays, rotary disconnect switches,
motor control NEMA, combination contactors, starters, pump
control panels and many more

ENGINEERED ELECTRICAL PRODUCTS AND VALUES ADDED SERVICE

Motor Control Centers, Distribution boxes, Enclosed motor starters,
Boomer boxes, Engineering designs, Construction and Contracting.
