JANUARY 2024

Happy new year!! We wanted to reach out and remind you all of a few things that are happening over the next few weeks as well as touch base with you all! We are so incredibly grateful for the opportunity that we have been given to pour into your students and really appreciate the encouragement and trust you have shown us since August! As we enter into the new year it is our prayer that your students would continue to desire to know Christ more as well as share Him with their peers! If you ever have any questions, please do not hesitate to reach out to us! Once again, thank you for all that you have done for us!
