

The Stake Music announces auditions for its Fall 2022 Stake Primary Musical

Chore Chart on the Ark

Written, Composed, and Directed by Amanda Zerbe

Auditioners should prepare a 1-minute song to sing and may be asked to read sections from the scripts as well. Auditioners interested in doing lines/scripted parts please prepare a monologue that is under 1 minute long.

*To be in the cast, all primary aged children 5 years to 11 years need to be at the auditions to sign up for the cast listing that day, gain information needed from the director, and learn some choreography at auditions regardless of what part you may play. We will not have any more sign ups for cast members after the audition time-frame on September 10th is over.

Cast members who receive a call back for a lead part; solo or monologue must be available for the Thursday practices and Saturday large group practices.

Ensemble cast members will attend the large group practices - mainly on Saturdays, there is one Thursday practice right before Halloween, as well as a dress rehearsal on a Friday.

A more detailed schedule will be provided once casting is final.

If you are new to theatre and the audition process, don't be intimidated...we welcome all!! +
