

International Program

Master classes in piano, violin, cello, wind instruments and vocals, conducted by leading professors of Montreal universities are offered on the basis of highly professional art center «Fortissimo Academy of Music and Arts».

We facilitate the participant's arrival to Montreal with an accompanying parent. Three or more master classes are offered on a period of 2-3 weeks of stay in Canada.

There is a possibility of practicum, accommodation in proximity to the school, visa assistance and a choice of field trips (Montreal sightseeing, Montreal Art Museum and Ottawa). We organize an opportunity for the parents to participate in informational seminars on the following subjects: insight into Canadian life and society, access to world-class education in music departments of Montreal universities.

The program is destined to young musicians of all ages.

The program includes:
