Fight Fire with Fire. Zippo has partnered with WOODCHUCK USA to create wooden laser-cut emblem designs that will help restore and protect the forests of the world.

Through the Buy One. Plant One.® initiative, for each lighter purchased, a tree is planted. Each one comes with a unique code that you can use to learn about your tree, its location and the direct impact you're having on the planet.

To learn more about the positive impact of each Woodchuck lighter sale and the global media attention Zippo has earned from this program, visit zippo.com/buyoneplantone.

2023 Collectible of the Year

The 2023 Collectible of the Year marks 75 years since the original Zippo Car first took to the highways and captured the hearts of onlookers across America.

Inspired by a parade of “product-mobiles,” Zippo founder George G. Blaisdell had a 1947 Chrysler Saratoga completely overhauled into a pair of larger-than-life Zippo windproof lighters. The spectacular sensation would go on to tour the contiguous 48 states, dazzling paradegoers and fair attendants wherever it went.

This Armor® High Polish Black Collectible depicts the iconic Zippo Car in all its glory using our Photo Image 360° process, which extends the design around all sides of the piece. Laser Two-Tone is used to reveal the Zippo flame and 75th anniversary icon in luxurious brass tones, while the car’s chimney is illuminated by a sparkling Brandywine crystal, chosen specially for the Americas. Finally, the gold-plated insert is engraved with a repeating Zippo motif for the very first time, distinguishing this Collectible from all others before it. Each lighter is consecutively numbered, features a Luxury bottom stamp and comes in special collectible packaging.

Production will be limited to 10,000 pieces, so don’t miss the opportunity to offer this unique collectible available only in your region.

Inventor of the Zippo lighter and founder of Zippo Manufacturing Company, George G. Blaisdell, loved automobiles as much as he did his world-famous windproof lighter.

Through the late '40's and early '50s, the Zippo Car traveled to events and parades in 48 states.

The Zippo Car is displayed at the Zippo/Case Museum in Bradford, Pa.

Buck Wear

Introducing Buck Wear – an apparel company that brings together pride, patriotism and a love of the outdoors with each of their products. Choose between two of Buck Wear’s most popular designs replicated with Zippo’s Color Image process: the Street Chrome model features an eagle among the words “American by birth, Patriot by choice,” while the Black Matte lighter honors America’s heroes with a multi-striped flag.

We unveiled 540 Fusion last Fall, and we're just warming up! New designs for 2023 show off the incredible versatility of the process, whether it's touring the cosmos, dodging fast-flowing lava or navigating wild rapids. Each stunning piece of art extends around all sides of the lighter for an immersive experience and is complemented with iridescent metallic tones, combining the hallmarks of both our 540 Color and Fusion processes.

Sean Dietrich has been a prolific artist since he published his first comic at the age of 15. Specializing in fantastical and counter-cultural art, he has published 16 books, painted dozens of murals at bars, restaurants and tech-company headquarters and produced hundreds of commissioned pieces over his colorful career.

Zippo is excited to offer two pieces from Sean's extensive portfolio that are sure to catch the eyes of your customers: *Brackish*, featuring a dreamy underwater scene, appears on a sultry Purple Matte lighter while *Devil Bill* relaxes with a nice bourbon on a Street Chrome model.

The frontier is an unforgiving place, and this new design captures the intrepid spirit of the Wild West in stunning Color Image. Armed to the hilt at high noon, the skeletal cowboy appears in fluorescent pop-art on a White Matte lighter in front of a barren landscape, while the classic Brushed Brass version features a sandy sepia scene like you'd find in an old Western. Add one - or both - to your display to offer customers a taste of the outlaw life. Tumbleweed not included.

Vintage Lighters

There's Nothing Old About Zippo Vintage.

The success of Zippo's 50th anniversary commemorative lighter in 1982 was a strong indicator that Zippo customers and collectors were receptive to the addition of more vintage-style lighters to the product line. Zippo Vintage lighters were introduced in 1985, designed after a similar Zippo lighter created in 1937.

Distinctive features:

- Five-barrel hinge joins the lid and the bottom; same as current Zippo lighter.
- Sides of the unit are flat, with rounded corners and edges replicating the 1935 square case.
- Flat bottom and top case with current bottom stamp.
