1. Zoning Administrators Report

Unfinished Business: None

Public Comment: None

New Business

Chris Herrera discussed the special use permit for small engine repair. Intends on working on small engines only (ATVs, motorcycles) no automobiles, Monday - Friday 9am - 5pm with an occasional Saturday 9am - 3pm. Chris will be the only employee. Oil will be disposed of through an oil recycling company, he has no experience with these companies currently. Chris will be constructing a pole barn in compliance with township ordinance for the business. All equipment and business will be completed and contained within the structure. Property is zoned agricultural. Meets the standards within the township ordinance to move forward with public hearing. Notice will be sent to paper 14 days prior to the Special Hearing that will be held July 17th, 2024 at 7pm.

Public Comment: None

Adjournment: Angela Barnes motion for adjournment, Jennifer Kailing seconded. 7:28pm.
