Phoenix, AZ — January 2023 — Gervonni Cares, Inc is proud to announce a new partnership with Midwest Food Bank to address food insecurity in the West Valley of Maricopa County, Arizona. Together, these two organizations are committed to making a tangible difference in the lives of families in need by providing regular food distribution opportunities.

The collaboration between Gervonni Cares, Inc. and Midwest Food Bank aims to offer essential food assistance to families facing economic hardship, particularly those in the West Valley region of Maricopa County. By leveraging the resources and expertise of both organizations, this partnership seeks to alleviate hunger and promote food security within the local community.

Starting February 2023., Gervonni Cares, Inc. will host food distribution events twice a month on the 2nd and 4th week of every month, specifically on Tuesdays, from 12:00 pm to 5:00 pm. These events will provide families access to nutritious food items to help meet their dietary needs and alleviate financial strain.

To streamline the distribution process and ensure that resources are allocated efficiently, families must register online before pick-up at [gervonnicare.com/contact-us](http://gervonnicare.com/contact-us). This registration process will help Gervonni Cares, Inc. and Midwest Food Bank better understand the community's needs and tailor their assistance accordingly.
