Dear Hiring Manager:

I am writing in support of John P. Welby. Mr. Welby was a student in the Cybersecurity Law (CL826) course I teach at Concord Law School at Purdue University Global.

During the course, Mr. Welby distinguished himself in a number of ways. He was an active participant both in our live classes as well as the fifteen required online discussions. He brought his substantial technical background and freely helped others with his background and expertise. He also helped identify and obtain two excellent guest speakers for the course. Mr. Welby was always diplomatic and helpful. The significant examination of cybersecurity law in the course he took will add to his already impressive portfolio.

I recommend Mr. Welby without reservation for his combination of hard work, knowledge, and people skills.

Very Truly Yours,

Shaun G. Jamison  
Associate Dean of Faculty and Professor of Law
