## Spotlights

**Expanding the Downtown Entertainment District:** Having helped in getting the busking ordinance passed, and started signing folks up, we've decided that our next policy type project is pushing to have the Downtown Entertainment District expanded to include the Hilltop area. The Hilltop is very much a part of downtown, but often feels separate, apart. We hope that by expanding this area it will draw new business to the area, as well as encouraging folks to wander on up the hill.

**Klecko Comes to Town:** Klecko, a baker and award-winning poet from St. Paul, Minnesota, is launching his new book called "The Dead Fitzgeralds" at the Scott and Zelda Fitzgerald Museum at 1 p.m. on Saturday, August 13. Then join him that evening for "The Zelda Fitzgerald Game Show." There will be trivia, questions and a chance to win big prizes from St. Paul (where he is from)! Klecko will also be doing tarot readings using his own Siberian System.

**River Region Connects Event:** Thursday August 4<sup>th</sup>, those who are experiencing homelessness can receive a variety of free services at Crampton Bowl Multiplex, from 9am-1pm. These include: SNAP enrollment, State I.D. Cards, COVID vaccines, HIV testing, free phones, legal assistance, eye exams, haircuts, housing services, blood pressure checks, behavioral health checks, employment/job readiness services, and more.
