## Spotlights

### The Howlers Turn 1!

How has it only been a year (on the 30<sup>th</sup>) that we've been doing this? Who would have thought we'd still be kicking, and growing, and shouting?

For those who've been supporting us on this journey (there are far, far, far too many of you to name), we can't thank you enough. It's thanks to people like you that we've come as far as we have, and have the strength to keep this going for years to come.

Since we are taking this space to talk about us, we thought we would first, plea for donations. If you would like to drop us a few bucks so we can expand our programming even further, we would love that so much. We have big dreams, but big dreams usually require a couple bucks we've found. You can find how to donate on our website.

As for what those bucks would allow us to do, here's some things we want to start offering:

**Hilltop Game Night.** Once a month, at the Sanctuary, just a bunch of folks with some board games.

**Movers and Bakers.** Likely also at the Sanctuary, a once a month chance for bakers of all levels to come out and expand their know-how and network.

**Chess in the Park.** A monthly meetup at Rotary Park on a Saturday for folks to get some fresh air, and play some games.
