## Spotlights

Apologies for this being shorter than normal, but Bob is getting married in about 24 hours, so time was short!

First, we had our 2 year anniversary just occur. We didn't do anything (see: wedding planning), but we just want to take a moment to thank you all for your support. We wouldn't be here without you, and we simply can't thank you enough for that.

Secondly, take a moment to go check out the website for our latest initiative: [mgmsistercities.org](http://mgmsistercities.org) We have a lot of neat things going with it, with some simple ways for you to join in, so we hope you will go check it out.
