## Field Construction and Service Manager

Tully Pools, a successful, reputable swimming pool company based out of Sandy Springs, GA, is looking for a leader with experience in the swimming pool industry. This is a year-round, full time position with a competitive salary, benefits and bonus. We are looking for a “jack of all trades” in the industry.

### Benefits:

- Competitive Salary commensurate with experience
- Company provides truck and company credit card
- Health care assistance after 90 Days
- Paid holidays and time off
- Great working environment
- Continual training provided
- Opportunity for growth and ownership

### Qualifications:

- Must have valid Georgia Drivers License with good driving record
- Bilingual English/Spanish preferred
- Supervisory experience working with a team of up to 5
- Must be able to work independently on technical service jobs
- Good customer service skills with the ability to work with sub-contractors and vendors
- Professional demeanor and appearance
- Must be able to work Monday through Friday with some Saturdays required

### Preferred Experience:

- Knowledge or ability in Jandy and Pentair equipment and products
- Experience in all phases of residential swimming pool construction including excavation, plumbing, grading, concrete, steel, tile and equipment
- Expediting materials to job sites
- Technical ability to service pool pumps, filters, lights, heaters and controls
