Tuition

We value your time and have found that in order for our schedule to work best for everyone, tuition must be pre-paid. Lessons are \$40 a lesson billed monthly according to the number of weeks in that month.

Payments are due on the 20th of each month, in the month prior to the one being billed. Example, May's tuition is due on April 20th.

Please make checks payable to Briana Harley.

If payment is not made by 1st of the new month, your lesson time may be opened up for other students. Initial _____

Cancellations

There are no refunds on cancelled lessons. Ideally a 24 hour notice will be greatly appreciated but we understand that things can happen last minute. We will gladly schedule a make up lesson that's convenient for both you and your teacher within 30 days. Initial _____
