

Advocacy, Events, and Support Groups! Oh my!

Help Us Advocate - Send a Letter

On June 17th, more than 500 volunteers from across the country will come together to speak to Congress about pro-family legislation, including: access to reproductive medical care for military and veterans, insurance coverage for IVF & fertility preservation, and access to adoption & 3rd party reproduction options (donor sperm, donor egg, and surrogacy). You can support these issues by **sending a letter to your representatives**. RESOLVE has created a [letter template](#) to make this easy. Your voice matters, please help.

Coming Soon: Virtual Peer-to-Peer Support Group

We are very excited to announce that RPLA will be starting a monthly, virtual peer-to-peer support group for individuals who have experienced recurrent pregnancy loss. The group will be led by RPLA Board Member, Melanie Thomas. If you or someone you know would benefit from this group, please join our private [Facebook group](#). Melanie will use this group to coordinate the first meeting.

Discussion: The Doctor-Patient Relationship

RPLA Board Member, Dr. Jessica Ryniec, joined us for an Instagram Live event during National Infertility Awareness Week (NIAW) to talk about the fertility doctor-fertility patient relationship. The recording is

posted on our [website](#) and our [Instagram](#) page if you'd like to share or learn more. Be sure to follow us so you can be notified about future events.

Presentation: What I Wish I'd Known

RPLA Co-Founder, Megan Hanson, had the opportunity to present at the New Jersey Walk of Hope during NIAW. She shared things she'd wish she known or needed to hear as she and Ben suffered multiple pregnancy losses. A recording of her talk is posted on our [website](#) and [YouTube](#).

Recurrent Giving to end Recurrent Pregnancy Loss

If you've run a business or made a household budget, you understand that having a regular monthly income is essential to helping you plan. It's the same for a nonprofit. Please consider setting up a recurring monthly donation to RPLA.

- * \$10 a month will help us continue to host educational Instagram live events
 - * \$20 a month will support the technology to run our virtual P2P support group
 - * \$50 a month will allow us to participate in important scientific conferences like the American Society of Reproductive Medicine (ASRM) annual meeting
 - * \$100 a month will allow us to launch and support our patient registry
- Monthly giving can be set up [here](#). Thank you for your consideration. Any donation at any level helps. All our work is a result of your generous support.

**Warm Regards,
The RPLA Board of Directors**
