Exterior Home Projects? - **UPDATED**

Before making any changes to your home's exterior, such as building a fence, wall, or other structure, you must submit plans to the Architectural Committee for approval. This includes details like size, materials, and location. Be sure to review the CCRs and additional CCR resolutions, *updates from the 87th Legislative Session*, for information on items like religious symbols or security systems. Please go to our [website](#) for more information.

Please RSVP to the Party!

Hi Neighbors!

Mark your calendars for our Second Annual Fall Block Party on October 20th, from 4:30 to 6:30 p.m.! We had outstanding attendance last year and hope you can join us! It's a great chance to catch up and reconnect with everyone in our neighborhood. To keep things cozy and within budget, we ask that you limit attendance to household members only.

Thank you for completing this RSVP Form to help us plan the best event possible. Your RSVP by October 10 makes all the difference! Looking forward to seeing you there!

RSVP Form - *We know it's hard to predict future attendance, so we will reach out before the event to see if anything has changed in your schedule. Please RSVP to the Party!*

Thank You!

We are incredibly grateful to Elaine Williams for volunteering to serve on our Architectural Review Committee!
