

All enquiries are taken through this website only.

Those wishing to be considered for training with their dog will have to complete the Initial Enquiry form below.

These enquiries will be reviewed on a **monthly** basis in strict date rotation. We will send a confirmation, by email, that we have received your enquiry.

If we have a trainer available in your area you will be contacted.

If we do not, we will endeavour to give you some advice on where to access some basic training and what to do next.
