BE A BIG DEAL

 Lindenmeyr Munroe

LindenmeyrMunroe.com

BE A BIG DEAL

No longer confined to printing on a standard sheet, wide format technology gives you the ability to print on a variety of substrates at a range of sizes. The possibilities are unlimited with our comprehensive selection of wide format printing and finishing equipment, media, inks and supplies.

A Lasting Legacy

Fifth-generation family owned and operated

Knowledgeable Workforce

Local sales and customer service representatives

Comprehensive Product Selection

Representing the world's top manufacturers in every category

Leading with Technology

24/7 access to state-of-the-art e-Commerce site

Local Inventory Commitment

Fully-stocked warehouses with converting equipment

Advanced Logistics System

Large private fleet of trucks and trailers

BETTER TOGETHER

Creating real connections and adding value for clients in our diverse business segments.

EXCEPTIONAL SERVICE & SELECTION

With ongoing investments in our people, local inventories with diversified products, and the latest technologies that provide innovative solutions, you can remain confident that Lindenmeyr Munroe is your reliable and trustworthy partner for all paper, packaging, wide format and facility solutions.

MEDIA RECOMMENDATIONS

Media recommendations are available for all retractable banner stands - see pages 72-73

GOOD

Economy and value retractable banner stands are widely used due to their ability to display full size graphics on a budget. Lightweight and portable, they are best for shorter-term use and large campaign roll-outs.

MEDIA RECOMMENDATIONS

Media recommendations are available for all tension banner stands - see pages 72-73

SCREEN & SCREEN XL

P30

With telescopic vertical and horizontal supports allowing for a variety of graphic sizes, these displays are often used as backdrops and step-and-repeat displays. They can be assembled quickly and either vinyl or textile graphics can be attached with pole pockets, or grommets and ties.

MOTION & PERFORMER

P31

X-Banner Stand. Lightweight and inexpensive, these banner stands are easy to use and hold grommeted banners. Popular applications include retail and showroom advertising.

ATOM & ASTRO SERIES

P32-33

L-Banner Stand. Clamp top and bottom bars provide ease of banner installation and quick graphic changing if necessary. Graphics stay attached to the clamp bars when disassembled and store together with the banner stand in the carry bag provided.

GARRISON

P35

A versatile tension banner stand that can be used single or double-sided, these displays offer a huge variety of graphic sizes due to the telescopic center pole and adjustable bottom clamp fitting. With quick assembly, a carry bag, and a small footprint, potential applications are extensive.

SCREEN

- Adjustable banner stand for large graphic backdrops

TACTILE

- Economy telescopic display easel
- Features adjustability on both graphic height and overall height
- Max panel height is 32" and max panel weight is 10lbs
- Rubber, non-slip feet
- Frame only max. W x H x D: 42" x 62¼" x 29½"
- Frame only min. W x H x D: 18" x 20¼" x 12½"
- Includes carry bag

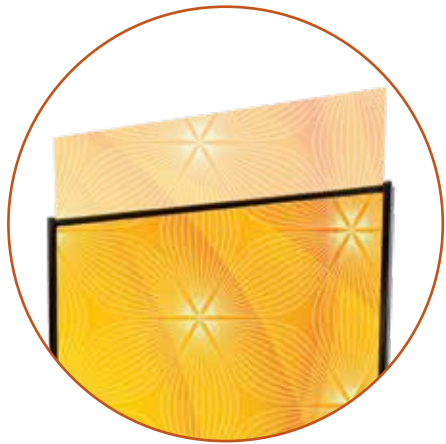

Item Number	Description
INE447276	Display Easel

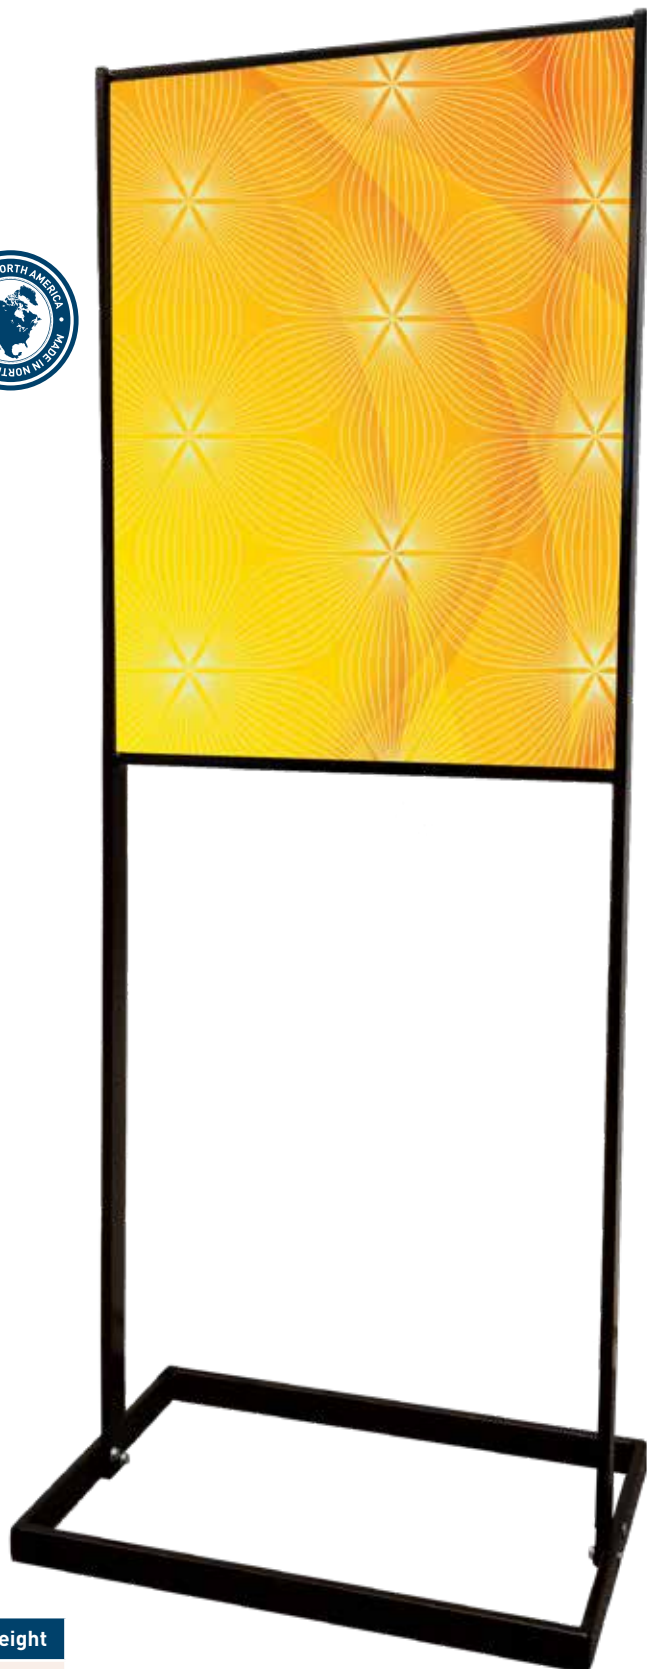

RENDON

- Metal Sign Display Holder
- Accepts up to 6mm foam core boards and signs
- Top insert design for easy graphic changes
- Made in North America

Expand the printed graphic to create a header

Item Number	Width	Height
INE818833	22"	28"

CARDINAL

- Freestanding Displays consist of a heavy duty aluminum pole with four mounting channels, and a stable steel base with concealed rubber feet that grip and protect floor surfaces
- Choose from 15 options shown below, with various literature holder and poster frame arrangements
- Overall height is 76"
- Aluminum poster frames have a snap frame profile design for easy changing of posters, and include a clear protective poster cover
- Steel literature holders are angled, and offer a large display area of 1½"D × 12"H × 18"W to accept multiple sizes of printed media
- All literature holders and poster frames can be positioned and mounted at any height or side of the pole, and can be repositioned for a different design in minutes
