

Dear Friend,

20 years! What a privilege it's been to serve such an important role in our environment and wildlife education. We couldn't have done it without the support of so many generous people who love our earth and its amazing birds of prey inhabitants! To celebrate our milestone year, Hoo's Woods Raptor Center will be commemorating our 20th anniversary in style as we host our first *Wings & Wine Event*, **September 29, 2018** on the beautiful grounds of Tallgrass Prairies, near Milton from 6-9:30 pm. As a fun, awe-inspiring fundraiser, we hope we can count on you to be a part of it through an event sponsorship.

Hoo's Woods Raptor Center is a non-profit bird of prey rehabilitation and education center that provides conservation education with live birds of prey for schools, libraries, scouts, and many other organizations. We teach about raptors, the environment, and other ecological concerns explaining how all things are connected and what you can do to help. We receive no state or federal funding to help the birds that come into our care — **meaning every donation goes toward helping these beautiful birds of prey.**

**Our goal is to raise \$20,000 in honor of our 20 years so that we can continue to advance our educational programs, improve flight cages for our larger raptors, like our eagles, and enhance our rehabilitation efforts.**

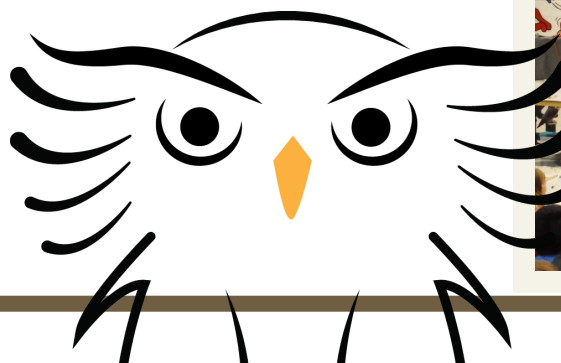

Birds of prey are remarkable birds that we need to maintain a healthy environment. They often symbolize strength, courage and freedom in our country. And to see them live and up-close is certainly thrilling and inspiring. It has been my pleasure and privilege to share Hoo's Woods with our communities for 20 years. I look forward to the next 20+, too, and hope you will help Hoo's Woods get there!

Thank you for considering a sponsorship of what we promise will be a memorable night of **wine, beer, food, music, a tour of the prairie and live bird presentations!**

Sincerely,

A handwritten signature in blue ink that reads "Dianne Moller".

# Event *Wings & Wine* Sponsorship Opportunities

Sponsoring *Wings & Wine* is a wonderful opportunity to support many great causes: the crucial work of wildlife conservation; the importance of wildlife education; the message of taking care of our earth. Thank you for your gift!

**All funds raised by this event go directly to support the care and rehabilitation of raptor populations.** We care for nearly 100 injured eagles, hawks, falcons, and owls every year, with the goal of releasing them back into the wild. We also have several non-releasable raptors that we take into classrooms and groups throughout the state to help inspire others to appreciate and understand the necessity of protecting birds of prey.
