Catelyn -
Peregrine Falcon

Mission

To inform and educate in the schools, scouts, community organizations and general public regarding wildlife and habitat. To rescue and rehabilitate birds of prey.

Share the Experience and Embrace Nature

Education Birds Include: Golden eagle, peregrine falcon, snowy owl, spectacled owl, Mississippi kite, merlin falcon, kestrel falcon, rough legged hawk, barn owl, barred owl, red tailed hawk, long eared owl, turkey vulture. Our bald eagle is appropriate for on-site programs only.

Raptor PROGRAM:

Are you interested in a program that will keep your students mesmerized, or a unique presentation for your club or community group?

An outreach program from Hoo's Woods Raptor Center is your answer filled with appropriate information suitable for any age. Our non-releasable education birds make learning fun and allow participants an up-close experience. Invite our raptors to your school, club, group or event. Programs are one hour in length, booth displays for events are available, falconry programs, birthday parties, seasonal on-site group tours, raptor day camps and special center events. For information about fees and programs available visit www.hooswoods.org
