

20 years
of proven play

brings innovative
and affordable
real clay

to American tennis.

RedClay USA

The next generation
of courts destined to
change American tennis.

Finally -
**away from hard courts
on to**

RedClay Pro®

Proprietary Proven Priceless

NO rain down-time:
Super porous base.
No puddles.

NO clay-base maintenance:
Watering only for play.
Not 24/7.

Imported European red clay
(recycled roof tiles).

Indoors: "Treated" clay topping
uses no water...ever.

Least expensive premium court
to build and use.
