☆before your spray tan☆

waxing and shaving must be done 24 hours prior to spray

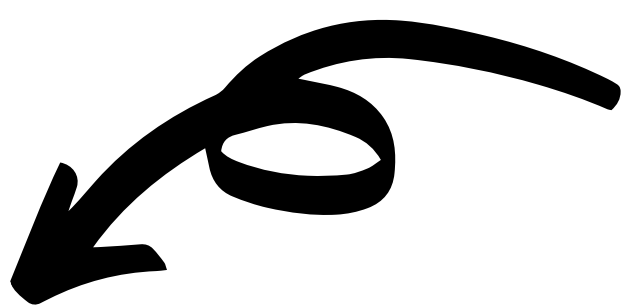

exfoliating 24 hours prior to your spray creates a perfect canvas for your tan (oil-free)

you may shower 2 hours prior to your appointment
NO lotions, deodorant, makeup, or perfume of any kind

what you decide to wear during your spray is completely up to your comfort level! please keep in mind tan lines.

What to bring to your appointment

open shoes such as flip flops or slides

loose clothing such as sweatpants and baggy tops

things to remember

☆book your appointments 48 hours prior to your event

☆beauty services that involve moisture like nails, waxing, and facials should be done prior to spray tan

☆please avoid resurfacing skin treatments like salicylic acid, BHA, or anti-aging treatments

☆spray tans can be booked 3-5 weeks apart - it's suggested to exfoliate 48 hours prior to your following spray to maintain constant even tans
