

THE FOSSILFIELD RIDING SCHOOL

FOSSILFIELD TRAINING CENTRE

Whether you're discovering the saddle for the first time or training toward professional goals, The Riding School at Fossilfield Training Centre opens the stable doors to sport, skill, and self-belief.

ABRS-APPROVED PROGRAMMES

We proudly uphold the standards of the Association of British Riding Schools (ABRS). Our riding school delivers professional equestrian tuition through both group and private lessons, tailored for riders of all ages and abilities.

Participants work through structured Rider Awards in:

- Equitation: refining balance, control, and technique in the saddle.
- Horse Management: building knowledge in grooming, feeding, stable care, and general horse welfare.

This dual-track approach celebrates both technical equestrian development and individual personal achievement, helping young people progress confidently.
