Dear Patients and Visitors,

### **Video and Sound Recording Policy Notice**

In order to maintain a respectful and confidential environment for our patients, Perez Neurology has implemented the following policy regarding the video and sound recording within our premises without explicit consent from Dr. Perez.

#### **Policy Overview:**

##### **Prohibition of Recording:**

- Video and sound recording of any kind (including but not limited to smartphones, cameras, and audio recording devices) is strictly prohibited within the practice without explicit permission.

##### **Patient Privacy:**

- Respecting patient privacy is a top priority. Recording without permission may compromise the confidentiality and privacy of our patients.

##### **Provider-Patient Interactions:**

- During consultations, examinations, and interactions with healthcare providers, patients are prohibited from recording unless agreed upon in advance by Dr. Perez.

##### **Exceptions:**

- Any requests for recording, whether for educational purposes, consultation review, or any other reason, must be discussed and approved by the healthcare provider and practice administration in advance.

#### **Patient Cooperation:**

We kindly request the cooperation of all patients and visitors in adhering to this policy. Any violation of this policy may result in the immediate cessation of the recording and potential dismissal from the practice.
