

- Powered by the Sun – Nutrition in Every Strip

NRG PHYTO ProMAXX

Energize your body, nourish your cells, and bridge the gap in modern nutrition with the pure power of the sun.

Key Benefits

Plant-Based Energy: Natural vitality from one of Earth's most complete superfoods.

Rich Omega-3 Source: Fights inflammation, supports heart, joint & brain health.

Immune Boost: Supports white blood cells & defends against bacteria & viruses.

Mood Support: Antioxidants & SOD enzyme help improve mood and mental clarity.

Joint & Skin Health: Promotes collagen formation, reduces inflammation, clears skin.

Cardiovascular Function: Helps lower cholesterol & improves circulation.

Blood Sugar Balance: Chromium & amino acids support insulin regulation.

Organ Support: Antioxidants aid liver & kidney function.

Vegan B12 Power: Among the highest vegetarian sources of B12.

Product Overview

In today's fast-paced world, nutrition gaps are common. PHYTO ProMAXX Quantum Strips harness the power of marine phytoplankton tiny organisms that capture the sun's energy and transform it into a rich profile of amino acids, omega fatty acids, vitamins, minerals, and antioxidants.

Each fast-dissolving vanilla-flavored strip delivers clean, plant-based energy and nutrition directly into your system for rapid absorption and bioavailability.

Convenient, travel-friendly, and effective PHYTO ProMAXX is your daily boost for energy, vitality, and overall wellness.
