EXPERIENCES

What to do in Dibulla?

Surfing. If you enjoy connecting with the ocean and it's vibes, whether you are a pro surfer or no surfer at all, waves in Dibulla are always gentle but active enough to treat you well and give you a sense of achievement. You will learn to stand up in your first lesson!

Farming Trek. Farming is our essence. As a post conflict area, new ways of showing our beauty include farmer touristic guides that show their ways, as well as the beauty around us! Walk, breath nature, have fresh breakfast, see otters in the river, or howling monkeys!

Vallenato tribute. Caribbean coast is famous for its beaches, food, but above all, vallenato music. Learn about all the artists that these regions gave birth to, and brought vallenato into the world for generations to come, at the famous artists alley here in Dibulla.

Have a snack in town.

Arepa de huevo is probably the local dish that identifies costeños. You have to try them at traditional shops where tradition has passed on through 3 generations. They are delicious!

Reviews and comments from some of our guests.

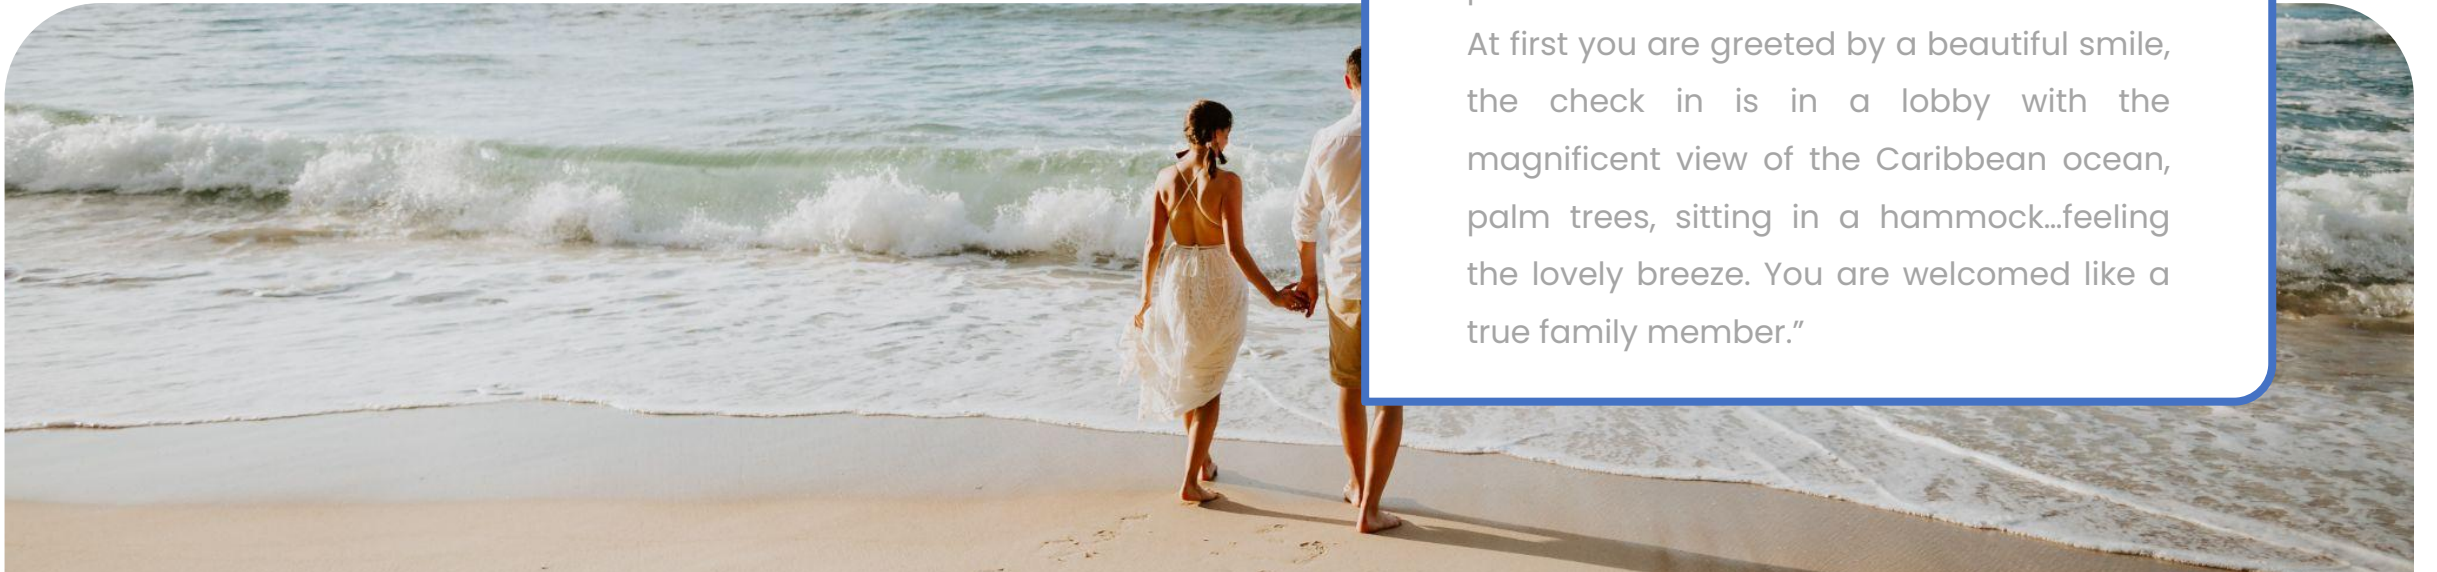

CHARLOTT GUTTORMSSON Google review

"Caribbean dream vacation that breathe privacy and luxury beach front

Entering this resort is like a explosion of feelings, love, tranquility, privacy and peacefulness.

At first you are greeted by a beautiful smile, the check in is in a lobby with the magnificent view of the Caribbean ocean, palm trees, sitting in a hammock...feeling the lovely breeze. You are welcomed like a true family member."

Thank you
