Ages 3-5. 11:00 am - 12:00 pm or 1:00 pm – 2:00 pm (2 groups are available depending on number of registrations)

Play is a child’s job. Come play outdoors and with the animals, while working on the skills needed for

kindergarten. This group is designed to incorporate all the base skills necessary to assist in powering up your preschooler for the transition to kindergarten. We will highlight fine motor, gross motor, cognitive, and receptive/expressive language skills, with

handouts for home follow through. (Child must function without an aide)

### **FOODIE GROUP TUESDAYS: JUNE 17– July 22, 2025; COST: \$245.00**

Developmental age 5-10. 11:00 am - 12:00 pm

This program will allow your child to learn more about food and textures through play and become more comfortable around new foods. Our approach is to offer a low-stress way for your child to see and feel foods using their senses such as sight, smell, taste, and

touch. (Child must function without an aide)

Our physical and occupational therapists will help your child stretch their gross motor skills through a “just right challenge” to meet their individual needs. (Child must function without an aide)
