

# Valet trash pickup services

**Contracts:** Clients may choose from 1 year or up to a 3 year contract with guaranteed fixed pricing until the contract ends. Renewals must be made 30 days before contract expires. Any adjustments will be active the start date of a new contract.

**Trash sanitation:** Every quarter on an agreed day by the client, we will come out to wash and sanitize all trash bins. Terms will be discussed prior to finalizing an agreement.

**Trash Collection:** Client may choose from 2-3-4 day pickup options. Each resident will receive a 10-13 gallon black bin and a role of sting tied trash liner monthly. All trash liners must be sealed tight, non-torn trash liners will be collected by the door of each resident. Any large boxes must be broken down. Any torn trash liners or small loose trash will be charged a cleaning fee. Documentation will be provided and emailed to the corresponding team delegated to our agreement.

**Hallway cleanup:** We will have a cleaning team who will be sent out in the mornings prior to office open hours to clear out any trash left behind by our pickup team. This ensures the onsite maintenance crew is not adding on extra work outside of their duties.

**Digital Verification:** Our team will provide photos to our main office to verify their completion on each trip. Clients are welcomed to receive a copy of photos per team on a requested basis.
