As summer unfolds, we take a moment to reflect on the journey so far. With grateful hearts and a renewed commitment to keep growing. Every drop of water delivered, every hygiene kit packed and every wall raised is a reminder that we are planting seeds of lasting change—together.

Home Health Corner!

👩‍⚕️ Nurses **Gertrude** and **Veronica** continue their rounds, providing vital sign checks, health assessments, and emotional support, especially for those living alone with no living relatives.

💛 **We are especially grateful that we did not lose any of our elderly during the month of May.**

In a region where daily needs are difficult to meet, this is a powerful testimony of God's grace and the tireless dedication of our team.

As inflation rises, so does the need. Many of our elders are still going without basic medication or a daily meal.

We are praying for the means to provide:

- Nutritious meals
- Life-saving medications
- Continued access to clean water

Your support is keeping their hope alive, make them feel seen, and valued.

Community Voice

“These elders are like family. I treat them as I would my own parents. This program is a lifeline.”

— *Miss Gertrude, Lead Nurse*

Construction Progress

This school year will end with something many of our students have been looking forward to at this school: access to a clean, safe bathroom.

This pilot project is a major step in restoring dignity and health in our schools. Thank you to all who believed in this vision!

each day without this basic necessity. Now, thanks to the generosity of our supporters, they will walk into a space that honors their dignity and supports their health.

We're excited to share that construction of our **first sanitary block** at the **Christian School of Cavalier** is nearly complete!

The walls are up, plumbing is being finalized, and we expect to wrap it up by June 9. We will have a small inauguration on June 10 to commemorate this very important step.

A Place to Dignify Their Days

This school year ends with a powerful milestone: many of our students will now be using a clean, safe bathroom—something most had never experienced before at school. Thanks to the support of our partners and donors, we are changing what daily

For girls especially, this progress means even more. Lack of bathrooms has been one of the leading causes of school absenteeism during their menstrual periods. Without access to privacy and proper sanitation, many simply stayed home. But with this new facility, they now have a safe, secure space to manage their periods with dignity—helping to advance both period equity and school participation.

And this is just the beginning—we're committed to reaching every school.

 **Scripture:** *“Trust in the Lord with all your heart, and do not depend on your own understanding. In all your ways, obey him, and he will make your paths straight.”*
— Proverbs 3:5–6

“no’s,” it would’ve been easy to give up. But on the sixth try, he became hall president—his dream role.

Rejection hurts. It shakes our confidence and leaves us wondering if God is even listening. But Proverbs 3:5–6 reminds us: trusting God isn’t about things always going our way. It’s about **faith in the waiting** and believing that God’s timing is perfect, even when we don’t understand it.

Randy’s journey wasn’t a failure. Each “no” shaped him. When the “yes” finally came, it was sweeter and more meaningful—because it was part of **God’s perfect plan**.

Prayer: *God, it’s hard to trust You when things don’t go my way. Help me surrender control and believe that You are working—even when I can’t see it. Teach me to wait with faith. In Jesus’ name, Amen.*

A Note from our Founder! 🖊️

Dear Friends,

As I reflect on this season of **growth and gratitude**, my heart is full. Seeing the smiles of students carrying their hygiene kits, the strength of our elderly living with dignity, and the progress of our first sanitary block—all of it reminds me that God is faithful, and that this work matters.

Hope for a Village began with a simple belief: that even the smallest act of love can ripple across generations. Today, that belief continues to guide us—through every challenge, every answered prayer, and every partnership near and far.

Thank you for standing with us. Thank you for choosing compassion.

With love and deep gratitude,

Mystraine Onoh
