RELAX AND REALIGN

ACUPUNCTURE

Integrative medicine that involves pricking the skin or tissues with needles, used to alleviate pain and to treat various physical, mental, and emotional conditions.

First Visit with consultation **\$90**

Follow-up Visits **\$65**

CUPPING

Cupping therapy is an ancient form of medicine in which a therapist puts special cups on your skin for a few minutes to create suction. It helps with pain, inflammation, blood flow, relaxation, and as a type of deep-tissue massage.

First Visit with consultation **\$90**

Follow-up Visits **\$65**

PHYSICAL MANIPULATION

Physical manipulation of the bones is an ancient form of medicine in which a practitioner will assess the body to find bones that have shifted from their natural position causing you pain, and will gently manipulate the bones back into place.

Naturopathic Visit

Naturopathic physicians practice general healthcare, addressing a wide variety of health concerns for patients with a holistic approach in finding the root cause of your illness. They are typically the first person you talk to if you have a health concern. You might turn to them for:

- Preventive care
- Treatment of common illnesses
- Early detection of illnesses or conditions
- Management of chronic conditions
- A referral to a medical specialist
