

THE BIRDCALL

Greetings Neighbors!

As the days grow cooler, I want to take this time to welcome each of you into this beautiful season of reflection and gathering.

Fall is a time for coming together. It is a time to harvest the fruits of our labor and get outside to feel the crisp, refreshing air! It is a time to embrace the vibrant colors of changing leaves!

The golden hues of our beautiful tree lined canopy along with the rustling of fallen leaves invoke a natural feeling of warmth and comfort. This fall let's embrace that warmth with our picturesque community and become more visible together!

I invite you all to join the Audubon Forest Neighborhood Association and get involved. Your participation makes our community stronger, and we need more neighbors like you to help us continue making a positive difference in our neighborhood. Together, we can accomplish so much more. I wish you all a wonderful fall season and remember, WE ARE STRONGER TOGETHER!

Street Captains

Street Captains are the eyes and ears for our community. They assist with:

- informing neighbors about issues that may affect the neighborhood and its residents;
- fostering a sense of community among neighbors within our area; and
- encouraging involvement and participation in AFNA.

Current Street Captains: Mario Wiley (Chair) and Anita Bridges (Oriole Drive). Interested in becoming a street captain? Please contact us at audubonforestna@gmail.com.

Neighborhood Planning Unit (NPU-I)

The City of Atlanta is divided by geographic area into 25 citizen advisory councils called Neighborhood Planning Units or NPUs. NPUs were developed in 1974 by Mayor Maynard H. Jackson to allow citizens to make recommendations to the Mayor and City Council on zoning, land use and other matters related to city planning.

The NPUs are the official avenue for residents to express concerns and provide input in developing plans to address the needs of each neighborhood, as well as to receive updates from City government.

Audubon Forest is located in NPU-I. C. Delores Lee Furlow, is our current NPU-I Chair. She can be reached at 404.797.5203. NPU-I meetings are held on the 3rd Wednesday of each month.

Learn more about NPU-I at npui.info.
