

SPORTSGOODS4ALL

DONATE THE JOY OF PLAY

A Heartfelt Thank You

TO EVERYONE WHO HAS SUPPORTED OUR MISSION

To everyone who has donated equipment, volunteered, shared our work, or supported us in any way: **thank you.**

SportsGoods4All is simply a group of high school students who want to make a meaningful impact in our community. We believe every young athlete deserves the opportunity to play, regardless of financial circumstances.

We do our best to collect and redistribute sports equipment, organize community events, and create more opportunities for children to experience the joy of sports. But none of this would be possible without your generosity and encouragement.

Every ball, pair of cleats, glove, racket, or piece of equipment you donate can give another child the chance to join a team, build confidence, make friends, and discover a sport they love.

Thank you for believing in our mission and helping us turn this goal into something real. Your support means more to us - and to the young athletes we serve - than we can fully express.

With gratitude,

Hemant, Derek, Lucas, and Jack

The SportsGoods4All Team

Together, we can give more young athletes the chance to play.
