

MNHA Membership Policy Statement

Minnesota Hindi Association offers two levels of membership: individual and family. The individual membership costs \$21, while the family membership costs \$31 and includes all members of a household with children under the age of 18. If a family has more than two adults, it is encouraged to choose family membership.

Please note that membership does not cover event costs. It is mainly for managing administrative and additional event management overhead costs. However, membership is required for any event participation. Every event will be first come, first serve (FCFS), and only members of the Minnesota Hindi Association will qualify for MNHA events.
